(For those of us in Region 8, I reserved the Coneflower Room on the 7th floor.)

There were a number of issues and new information, regarding the I-70 East Project, that we in Region 8 were advised about at our Cooperating Agencies meeting with CDOT/FHWA on October 25, 2016.

To help facilitate our discussion on the notable issues/concerns arising from that October 25th meeting, I've provided three issue papers for your review:

Please let me know if there are any questions.

Thanks!

Tim
